## Missional Prayer

BRUCE & DAWN CLUCKIE: Please pray for their son, Adam, who has been experiencing daily headaches which begin in the morning and subside in the late afternoon. Also pray for Kuta, a disciple, who has been maturing in Christ and is now counseling other women in their walk with the Lord. She is a widow and is being pressured by her family to marry a non-believer and become a multiple wife. Kuta's family is not helping with her daily needs because she has rejected the men that they want her to marry. Pray for encouragement and provision for her needs as she deals with this difficult situation.

PAM FULTON: (Italy) It appears that Pam's dad is living out his last days. He is struggling to breath and hospice is doing a great job of keeping him as comfortable as possible. Her sisters are standing watch and taking care but it is difficult to be so far from home at this time. Please pray for peace and comfort for her and her family as

they walk through this time.

NATE & JOY HOOT: (KBM Colorado) Nate was privileged to lead 19 young adult students to Haiti and the Dominican Republic this last summer. The hearts of this team were on fire to share God's love with the Haitian people, Dominican nationals and troubled American teens who were discipled at an international school in Jarabacoa. Pray for Christ to reign in the hearts of those impacted by this trip.

CONGO: Spend time in prayer this week for the 270 Village Peace Committee members as they strive to overcome tribal barriers and bring new unity to the troubled eastern border area of Congo.
